### DUNN'S RIVER FALLS, NINE MILES AND LUMINOUS LAGOON

Monday & Tuesday

You cannot say you have been to Jamaica if you have not climbed **Dunn's River Falls!!** With the help of your guide, you can climb to the top. After the falls, there is tour of the town of Ocho Rios and a stop for souvenir shopping. After shopping there is a stop for lunch (**included**) and then take the journey through small market towns and through the hills to **Nine Miles**, the birth & final resting place of reggae superstar **Bob Marley**. Here you will hear the story of his childhood and rise to stardom. The **Luminous Lagoon** is inhabited by microscopic organisms that emit a phosphorescent light when the water is agitated. Shortly after sunset, you will board the boat that will take you across the lagoon & as the water is disturbed, you will see the water illuminate behind the boat. The boat will stop for swimming: watch your body glow!
